at the Rio Grande Nature Center State Park

Sponsored by the Friends of the Rio Grande Nature Center

Instructors are New Mexico certified teachers.

Join our Summer Program! Children will enjoy Nature Walks to observe, identify and collect data. Outside games and activities take place all through the bosque. Studies will also be inside the Nature Center, in the classroom, and in the beautiful observation room.

Be prompt; classes meet in the parking lot and disperse throughout the area. (If you are late you may not find your class.) After class, children will return to the parking lot to be picked up.
