

Join Our Summer 2011 Nature Discovery for Kids

at the Rio Grande Nature Center State Park

2901 Candelaria NW Albuquerque NM 87107

Sponsored by the Friends of the Rio Grande Nature Center

Instructors are New Mexico certified teachers.

Join our fun and exciting Summer Program! Children will enjoy **nature walks** to observe, identify plants and animals, and collect data. Outside **games** and **activities** take place all through the bosque. Studies will also be inside the Nature Center building, in the classroom, and in the beautiful observation room.

Be prompt; classes meet in the parking lot and disperse throughout the area (if you are late you may not find your class.) After class, children will return to the parking lot to be picked up.
