

Join Our Summer 2012 Nature Discovery for Kids Rio Grande Nature Center State Park

2901 Candelaria NW Albuquerque, NM 87107

Sponsored by the Friends of the Rio Grande Nature Center

Instructors are New Mexico licensed teachers.

Join our fun and exciting Summer Program! Children will enjoy **nature walks** to observe, identify plants and animals, and collect data. **Outside games and activities** take place all through the bosque. Studies will also be inside the Nature Center building, in the education building classroom, and in the beautiful observation room.

Be prompt! Week-long classes meet at the group shelter in front of the Education Building at the east end of the parking lot, and often head out to the park. If late, you may miss the class. After class we will return the children to the parking lot, near the group shelter for pick up

Friday night classes meet at the meeting tree by the visitors' center, and return to the meeting tree.
